## GATEWAY TO THE HISTORIC COLLIERVILLE SQUARE

*When was the last time a five minute walk offered so much, so close, so complete?*

### Washington Gates of Collierville - a Boyle Community

Washington Gates - a 16 lot private cottage neighborhood with the small town feel of yesterday.

Brand new homes located just 1.5 blocks from dining and shopping at Collierville's Historic Town Square and easy access to Hwy 385.

Imagine just 16 building lots each nestled in mature trees so when the homes are complete they will appear 100 years old.

The Washington Gates lifestyle is elegant yet relaxed offering community amenities such as all of the yard maintenance cared for by a Homeowner's Association, professional Boyle architectural control, a charming stone bridge, comfortable conversation area with a fireplace/grill and breathtaking fountain, all in multiple open spaces.

Washington Gates of Collierville is truly a limited opportunity. **Call now!**
