

MEMPHIS, TENN., _____, 2024

RECEIVED of _____, the sum of _____ Dollars (\$) as earnest money (the "Earnest Money") and in part payment for the purchase of the following described real estate (the "Property" or the "Lot") situated in the County of Shelby, and State of Tennessee and being in the planned unit development known as "Spring Creek Ranch" (the "Development"):

Lot(s) _____ as shown on the recorded final plat of Phase 12 in the Grand Manor at Spring Creek Ranch, said plat being of record at Plat Book 305, Page 13 in the Register's Office of Shelby County, Tennessee, attached hereto as Exhibit "A" ("Final Plat").

Seller covenants and agrees to sell and convey the Property, with all improvements thereon, or cause it to be conveyed by good and sufficient warranty deed, to Purchaser, or to such person or persons as Purchaser may designate; Purchaser, however, shall not be released from any of Purchaser's agreements and undertakings as set forth herein, unless otherwise stated; and Purchaser covenants and agrees to purchase and accept the Property for the price of _____ Dollars (\$) upon terms as follows:

1. All cash at closing of which the Earnest Money is a part. Possession is to be given at closing.
2. Closing to be on or before _____, time being of the essence. If the Property is not closed by the closing date stipulated in this contract, through no fault of Seller, the contract may be terminated at Seller's option and the earnest money retained by the Seller.
3. The Purchaser shall install a Spring Creek Ranch standard street light, prior to occupancy of the residence in accordance with the Design Guidelines (August 2024) as may be amended from time to time. Therefore, in addition to the lot purchase price, at closing Purchaser shall pay Seller \$ _____ (_____ Dollars (\$) per light). Purchaser shall wire said street light to the residence constructed on the applicable Lot using a dedicated circuit without a GFI and the provided photocell. This obligation shall survive Closing and may be contained in the deed.
4. The warranty deed conveying the Property to Purchaser shall contain clauses to the following effect:

(a) Purchaser agrees to repair or replace any damage to the Development caused by Purchaser's construction after the Property is closed. Said repair or replacement is to be at the Purchaser's sole expense. Further, Purchaser agrees to maintain adequate erosion control measures on the Property, in compliance with all federal, state and local laws, regulations, ordinances, etc. Purchaser accepts all liability associated with said erosion control requirements and hereby indemnifies and holds harmless the Seller for any and all issues related to erosion control and drainage on the Lot or any adjacent land. In the event that Purchaser, after three (3) days of written notice from the Homeowner's Association (defined herein below), fails to remedy any issue resulting from this section then the Homeowner's Association shall have the option of making repairs or remedying said issue with the reasonable costs and expenses being invoiced to and paid by the Purchaser.

(b) The Property may be filled land or partially filled land. Seller shall not be responsible or liable for any claims of any kind or character related to the fill or soil conditions of Property. The subsurface conditions present may vary in accordance with underground conditions including without limitation, the prior uses of the property, the surface and subsurface soil types, the subsurface movement of water and the other geological conditions present. Seller makes no representation or warranty concerning these conditions and the results of such condition and expressly disclaims any responsibility or liability for subsurface conditions of the property. Attached as Exhibit "B" is a copy of the fill depth summary letter by Fisher & Arnold, Inc., regarding any fill.

(c) Purchaser understands that the Property shall be part of a planned unit development with private streets, sewers, drainage and common areas, all of which must be maintained by a homeowners association. In addition, the Property shall be subject to certain restrictive covenants pertaining to the planned unit development. Seller agrees to subdivide the Development in general conformance with Exhibit "A" attached hereto and to proceed with the installation of the required subdivision improvements. Purchaser agrees that neither Purchaser nor Purchaser's agents, contractors or employees will interfere with Seller's agents, contractors or employees during Seller's construction of subdivision improvements. Purchaser agrees to reasonably delay or alter Purchaser's construction schedule if required by Seller's contractor. These provisions shall survive closing.

(d) The drainage improvements in the Development have been designed and are/or shall be installed in accordance with all prevailing local governmental standards and requirements. Seller makes no warranty concerning the degree of rainwater inundation that may result on the Development since said inundation can be expected with rainfall which exceeds the design standards. Neither the Seller, the Homeowner's Association nor the Architectural Committee established under the Covenants and Restrictions discussed below, nor any employee, owner, architect, consultant or agent thereof shall be responsible or liable in any way for the drainage of the Property or the drainage of the lots surrounding the Property. Purchaser hereby acknowledges that Purchaser is solely responsible for ensuring that (i) the Property, once improved, will drain properly and sufficiently, (ii) no grading of or improvement to the Property shall increase the natural flow of water onto the adjacent land, and (iii) that the drainage from surrounding lots will not negatively impact the Property. Purchaser, its successors and assigns, and anyone claiming by or through Purchaser hereby waive any and all claims of liability associated with the drainage of the Property and/or surrounding lots against Seller, the Homeowner's Association, the Architectural Committee and their respective employees, agents, successors and assigns. In addition to the foregoing, Purchaser shall in no event obstruct or impede the flow of water designed to run on, over or near the Property pursuant to the grading plans for the Development.

(e) Seller will not be responsible for any trees that die.

(f) Prior to construction of a home on the Property, Purchaser covenants and agrees to keep the Property mowed and free of debris. Should Purchaser not keep the Property mowed and free of debris, Seller may notify Purchaser in writing at the address shown on sales contract. If corrective measures have not been taken within two (2) weeks of date of said notice, Seller shall have the right, but not the obligation, to enter the Property for the purpose of mowing and cleaning the same and in such event the cost of said work shall be charged to Purchaser. If the cost of same is not paid within thirty (30) days from date of billing, then the cost of cutting and cleaning plus court cost, attorney fees and interest at the maximum legal rate shall become a lien on the Property. This covenant shall expire and be of no force or effect upon completion of residence.

(g) If there is a variance between the metes and bounds description for the Lot and the edge of the pavement for the completed common driveway adjacent to the Lot, then the edge of such pavement shall be the actual perimeter and boundary of the Lot.

(h) Purchaser shall not, by virtue of its ownership of a Lot, be granted access to or membership in the Spring Creek Ranch Golf Course nor shall any member or guest of Spring Creek Ranch Golf Course be permitted access to the Development or to individual Lots located within the Development.

(i) Until the residence is constructed on a Lot, Purchaser shall not, without the prior written approval of Seller, list the Lot for sale, nor convey Lot to any third party, or otherwise transfer the lot, except to a family member or heir within 18 months after the closing of this transaction. Such approval shall be granted or withheld at the sole subjective discretion of Seller. In the event Purchaser desires to sell the Lot prior to the expiration of the 18 month period, Seller shall have the right to re-purchase said Lot if it so desires at the same purchase price paid by Purchaser net of any interest, expenses, and closing costs.

(j) The owner/purchaser of Lot 328 hereby acknowledges that a fence, landscaping, irrigation, lighting and certain signage with stone columns shall be installed on the northeast corner of Lot 328 and an easement is reserved for the installation, maintenance and related ingress and egress on Lot 328. The Purchaser/owner of Lot 328 shall take subject to the foregoing.

As part of the construction of the residence to be located on Lot 327 and Lot 328, each Owner of such Lots, at said Owner's expense, must install a six-foot (6') privacy fence, in accordance with the Design Guidelines for the Phase 12 Lots and otherwise in compliance with the requirements of the ACC.

(k) As part of the construction of the residence to be located on Lots 325 – 328 inclusive, and Lots 325 – 328 inclusive, each Owner of such Lots, at said Owner's expense, shall be required to install a standard street light in accordance with the Design Guidelines for the Phase 12 Lots.

(l) In the event following closing Seller is assessed, penalized, or otherwise fined by the Environmental Protection Agency or the applicable state or municipal authority for violations related to erosion prevention sediment control (EPSCs) on the Property, then Purchaser shall assume all of Seller's liability therefore including, but not limited to, payment of fines assessed. Purchaser shall reimburse Seller within seven (7) days of written notice from Seller.

(m) Purchaser agrees to commence construction of a primary residence promptly following the date hereof and that, within 18 months of closing, such Purchaser shall begin construction of a primary residence on the Lot(s) purchased. Purchaser hereby acknowledges and agrees that if construction is not commenced on the Lot(s) so purchased within the time frame established pursuant to this Section, Seller shall have the immediate right to re-purchase said Lot if it so desires at the above purchase price net of any interest, expenses, and closing costs.

(n) No individual mailboxes may be constructed on a Lot. A common mailbox facility shall be constructed by Declarant and all Lot Owners shall be required to receive and send mail from such common mailbox facility. This common mailbox facility shall be owned and maintained by the Grand Manor at Spring Creek Ranch Residential Homeowners Association, Inc.

5. As noted herein, the Property is part of a planned unit development and shall be subject to certain restrictive covenants, entitled the Declaration of Covenants, Conditions and Restrictions for Grand Manor (referred to herein as "Covenants and Restrictions") attached as **Exhibit "C"**. Purchaser shall have fifteen (15) days from the date this contract is fully executed ("Review Period") to determine whether the Property is satisfactory to Purchaser and to conduct such reviews and investigations, including, but not limited to, review of title, the Declaration of Covenants and Restrictions of the Property and of the Development as Purchaser deems appropriate. If Purchaser determines the Property to be unsatisfactory, Purchaser shall so notify Seller in writing prior to the expiration of the Review Period. If Purchaser timely provides written notice as provided above, then Purchaser shall be deemed to have terminated this contract, the Earnest Money previously paid shall be returned to Purchaser and neither party shall have any further liability to the other under this contract. Upon expiration of the Review Period if no notice has been received, the Earnest Money will be nonrefundable (except as otherwise specifically provided in this contract) and closing will occur as set forth herein.

By Initialing below, Purchaser acknowledges that it has read this Section, understands that the Property is part of a planned unit development and has received a copy of the Covenants and Restrictions:

Purchaser's Initials: _____

6. Purchaser shall be a member of the Grand Manor Residential Owners Association, Inc, which is a "District" of the "Master Association", Spring Creek Ranch Residential Owners Association, Inc. Purchaser acknowledges the annual assessment, for each lot, will be paid to the Grand Manor at Spring Creek Ranch Residential Owners Association, Inc; a portion of which will be paid to the Master Association on the member's behalf. The Purchaser shall be entitled to enjoy all the rights, privileges and obligations of both associations.

7. Setbacks on all lots shall be as required by Shelby County zoning ordinances, the Final Plat, and/or subdivision regulations. In addition, Seller may establish certain setbacks as set forth in the Covenants and Restrictions and design guidelines. The Design Guidelines are attached as **Exhibit "D"**. Exceptions to the setbacks established by Seller may be permitted upon architectural control approval as provided in the Covenants and Restrictions.

8. Because the Property is part of a planned unit development and is subject to the Covenants and Restrictions, Purchaser understands that two homeowners associations, Grand Manor at Spring Creek Ranch Residential Homeowners Association, Inc. and Spring Creek Ranch Residential Homeowners Association, Inc. (collectively, "Homeowners Association") are to be established to maintain the common area improvements of the Development including, but not limited to, landscaping, structures, recreational amenities, lake, gates (without security), private driveways, roads, insurance, lighting, brick/stone wall, fences, utilities etc. Purchaser further understands that the Covenants and Restrictions for the Development have been recorded and include, in addition to other restrictions, a requirement for architectural review and approval of proposed house plans and minimum house size requirements and an obligation to adhere to certain design guidelines that may be established from time to time. The minimum square footage on Lots 325 - 328 inclusive shall be four thousand five hundred (4,500) heated and cooled square feet. The Covenants and Restrictions also provide for an architectural plans review fee, as determined by the board of directors of the Homeowners Association (the "Board of Directors"), which shall be due with the initial plans submittal. The Covenants and Restrictions also provide for dues and/or assessments which shall be determined by the Board of Directors of the Homeowners Association. The Final Plat sets forth certain easements, set back lines and other restrictions affecting the Property. The Property shall be conveyed subject to the terms and conditions of the charter and bylaws of the Homeowners Association, the Final Plat, the Covenants and Restrictions and architectural review requirements, as well as all restrictions, easements and covenants of record, and subject to zoning ordinances or laws of any governmental authority.

9. All taxes and Homeowners Association dues and assessments for the current year are to be prorated as of date of closing. Any and all prior unpaid taxes or liens including front foot assessments are to be paid by Seller, unless otherwise specified. Seller shall pay all "roll back taxes", if any are assessed against the Property, through the date of closing of the Property. To the extent that any "roll back taxes" are not separately assessed against the Property, but instead against a larger parcel of which the Property forms a part, such roll back taxes will be prorated on the basis of acreage as established on the Final Plat. Purchaser and Seller shall each pay one-half (1/2) of the costs of obtaining the dues/transfer letter from the Homeowners Association.

10. Within five (5) days of the execution of this contract, Purchaser shall order either title search or adequate abstracts of title, taxes, and judgments, covering the Property, from a title insurance company with offices in Shelby County, Tennessee (the "Title Company") for the amount of the above purchase price, insuring marketability of title and paid for by Seller. Adequate abstracts of title, taxes and judgments are those required by the Title Company as the basis for the issuance of a policy of title insurance. In the event of controversy regarding title, a title insurance policy covering the Property, issued by the Title Company for the above purchase price, shall constitute and be accepted by Purchaser as conclusive evidence of good and merchantable title.

11. If the title is not good, Purchaser shall provide written notice to Seller of its title objections, specifically pointing out the defects on or before the Review Period, and if Seller is unwilling or unable to address such defects or objections, then Purchaser shall have a right to terminate this contract by providing written notice to Seller on or before the expiration of the Review Period. Upon receipt of such timely termination notice, then the Initial Earnest Money shall be returned to Purchaser, this contract shall be deemed terminated and neither party shall have any further liability to the other hereunder. If Purchaser fails to provide written notice of title objection or fails to exercise its termination right on or prior to the expiration of the Review Period, Purchaser shall be deemed satisfied with the title, and the parties shall proceed to closing.

12. If Purchaser shall default hereunder, Seller shall have the right to elect to declare this contract canceled, and upon such election, the Earnest Money shall be retained by Seller as liquidated damages. The right given Seller to make the above election shall not be Seller's exclusive remedy, and Seller shall also have the right to elect to affirm this contract and enforce its specific performance or recover full damages for its breach. Seller's retention of the Earnest Money shall not be evidence of an election to declare this contract canceled, as Seller shall have the right to retain his portion of the Earnest Money to be credited against damages actually sustained. In the event of a default by Seller hereunder, Purchaser's sole and exclusive remedy shall be to either terminate this contract and receive a refund of its Earnest Money or to specifically enforce the obligations hereunder. Waiver of mutuality of remedies are hereby waived by the parties.

13. Seller agrees to pay the undersigned Agent a commission of six percent (6%) of the sale price. Unless otherwise specified herein such commission is to be paid in cash out of the net proceeds of the sale at time of closing this transaction. No other commission shall be paid by Seller and there is no cooperating agreement.

14. Subject to the limitation noted herein, Seller is to pay for preparation of deed and title search or abstract. Regardless of the title company used to provide the title search or abstract for closing, Seller shall only be obligated to pay up to \$100.00 for the title search or abstract. In the event the title search or abstract cost is in excess of said amount, Purchaser shall be responsible any and all such excess. Purchaser is to pay for preparation of note, or notes, and trust deed, notary fee on trust deed, recording of deed, state tax and Register's fee on deed, and expense of title examination or title insurance, if any. If a single closing agent or attorney closes the Seller and Purchaser hereby agree to share equally in paying the closing fees, otherwise each party shall be responsible for its own closing fees. If Purchaser obtains a loan on the Property, Purchaser is to pay all expenses incident thereto. Each party shall pay the fees and expenses of any attorney engaged to represent such party in

connection with the transaction contemplated herein.

15. **Assignment by Purchaser:** Purchaser shall have no right to assign this contract without Seller's prior consent. In the event Purchaser assigns, as provided herein, this Contract, said assignment shall occur at least five days prior to closing, and Purchaser agrees to pay an assignment fee of \$50.00 to Seller's attorney at closing. Upon assignment, the Earnest Money shall remain on deposit with Boyle Investment Company and shall be held for the account of the assignee subject to the terms of this Contract. In the event Purchaser desires to assign any of its rights under this Contract, it shall notify in writing the Seller of its desire to assign.

16. This instrument when signed only by the prospective Purchaser shall constitute an offer which shall not be withdrawable in less than 48 hours from the date hereof.

17. Purchaser accepts the Property in its existing "AS IS" condition, no warranties or representations having been made by Seller or Agent which are not expressly stated herein.

18. As used herein, where applicable: Seller and Purchaser include the plural; the masculine includes the feminine or neuter gender.

WITNESS the signatures of all parties the day and year above written.

Subject to any check given, the undersigned Agent acknowledges receipt of the Earnest Money which is held in trust, subject to the terms of this contract.

RE: SPRING CREEK RANCH P.D., PHASE 12 - LOT FILL SUMMARY

Dear Gary:

Based on the approved construction plans, below is a summary of the maximum fill within the building envelope for each of the lots within Phase 12, Spring Creek Ranch P.D.

Note: NF – No fill within building setbacks

Lot 317 – NF	Lot 318 – 3.9'	Lots 319 thru 322 – NF	Lot 323 – 7.0'	
Lot 324 – 2.2'	Lot 325 – 2.2'	Lot 326 – 2.2'	Lots 327 thru 337 – NF	
Lot 338 – 1.9'	Lot 339 – 0.2'	Lot 340 – 3.5'	Lot 341 – 3.1'	
Lots 342 thru 347 – NF		Lot 348 – 0.7'	Lot 349 – 2.2'	Lot 350 – 1.9'
Lot 351 – 1.8'	Lot 352 – 3.1'	Lot 353 – NF	Lot 354 – 0.4'	Lot 355 – NF
Lot 356 – NF	Lots 357 thru 359 – NF	Lot 360 – 4.5'		
Lots 361 thru 368 – NF	Lot 369 – 2.1'	Lots 370 thru 372 – NF		

Please note that these are maximum fill within building setbacks, and not necessarily indicative of the amount of fill overall, as the average is less. Also note that some lots only have fill proposed along the outer edges of the building setback area and therefore are reflected as not having fill.

It is recommended that the builders inform their structural engineer and/or a geotechnical engineer of any fill listed above when proceeding with a foundation design for any house built on lots with fill, and to consider the Grading & Drainage Plan as it relates to the entire lot. If any questions, please call. Thank you.

Sincerely,

Fisher & Arnold, Inc.

Michael Rogers, PE, RLS, QHP, LEED AP BD+C, CPESC
