A GATED RETREAT NESTLED IN GERMANTOWN

Viridian Place is private, gated community featuring 109 thoughtfully designed homes situated on the eastern edge of Germantown, Tennessee, near the Collierville border.

The initial phase will encompass 62 low-maintenance lots, establishing the groundwork for a village-like atmosphere. Each home will be distinct yet harmonious, contributing to a cohesive and picturesque streetscape. Thoughtfully positioned green spaces foster interaction, making it effortless for neighbors to connect and cultivate a sense of community.
